About This Game

The Call of Duty: Black Ops III Multiplayer Starter Pack allows you to experience the ranked Multiplayer game mode of Black Ops III. This is a Multiplayer-only version of Black Ops III that has limited content. See below for more detail.

The Multiplayer Starter Pack gives you access to Public Ranked Multiplayer matches and features including Weapon Paint Shop, Gunsmith, Arena, Freerun, Theater, and the Black Market.

For the complete Call of Duty: Black Ops III experience, you will need to upgrade to the full version of the game. Below is a list of features not available in the Multiplayer Starter Pack.

Features NOT included in the Call of Duty: Black Ops III Multiplayer Starter Pack:

- Zombies game mode
- Campaign game mode
- Ability to play in Multiplayer custom games
- Ability to Prestige (your level will be capped at 55 in the Starter Pack)
- Access to mod tools or modded content (once released)

- Access to unranked server browser (once released)
- Ability to Fresh Start your profile
- The ability to access Dead Ops Arcade II and Nightmares mode

At any time, you can upgrade to a full version of Call of Duty: Black Ops III, and the price you paid for the Starter Pack will automatically be deducted from the price of the full game or Digital Deluxe Edition.

With Black Ops III, Treyarch premieres a new momentum-based chained-movement system, allowing players to fluidly move through the environment with finesse, using controlled thrust jumps, slides, and mantling abilities in a multitude of combinations, all while maintaining complete control over your weapon at all times. Black Ops 3 multiplayer also introduces the new Specialist character system, which allows players to rank up and master each specific character's battle-hardened capabilities and weapons.
